TESTIMONIALS

Hi Kim, I just wanted to let you know that my daughter said she enjoyed the Josef Brown Workshop more than anything else like that that she has ever done.

Hi Kim, My daughter had a fabulous time at the workshop and hasn't stopped talking about it!!

Hey Ms Kim, thank you for organising such a great weekend at the Josef Brown Workshop ... it also helped me study Jardi Tancat for my dance essay exam on Friday ... perfect timing.

Thank you Josef, I'm really pleased I booked your 2 day workshop for the KHSD students. So inspirational and informative. The students were buzzing for days later. I'd recommend highly. Come back to Canberra soon!

Thank you for opening new doors to my daughter and all of the other students of the course and allowing their creative side to shine.

Beverley Margaret School of Dance, Rockingham, W.A

I just wanted to thank you so much for organising the workshops. My daughter really did have such a great time and really wishes that there was more. She loved the contemporary, liked the challenges of the ballet and surprised herself by really enjoying the drama. I can't tell you how lovely it is to see her so enthusiastic.

Josef is a great dancer, actor and teacher. He delivered one of the best workshops I've attended. He is mindful of movement and I learnt so much from him.
